

SHIPPING POLICY

Orders are shipped via USPS First Class Mail unless your order is over a 1lb then it is shipped Priority Mail checkout. First Class & Priority orders are shipped within 3 business days. Business days are Monday-Thursday, excluding holidays.

shipping chocolate in warm or hot weather

There are some factors we simply can't control such as the weather. The main cause of melted chocolate is from it sitting outside after delivery, waiting for a **SPIRITUAL TASTER** to come home. These are some ways to make sure your chocolate arrives deliciously..

Order them to a location you will be at. If you're working when your postmaster comes, send them to your office. If you choose this option, send us a Note with your order letting us know it must arrive Monday-Friday.

Do you have a PO Box? It's a great option as well!

Hold it at a Post Office. Let us know in Notes which Post Office you would like it held at, just be aware that the one you choose MUST allow General Delivery. Their website will let you know.

We are unable to claim responsibility for melted chocolate shipped First Class or Priority.

Although we will do our part to keep it safe! We love and appreciate you so very much as our customer and want to make sure you can get all the **TAHUU CHOCOLATE** you desire year-round!
